

# AWESOME AUSSIE APPLES

Class activities for middle-upper primary years.

## ACTIVITY 5 – From Seed to Sticker

Using [xtranormal.com](http://xtranormal.com), [goanimate4schools.com](http://goanimate4schools.com), [toondoo.com](http://toondoo.com), [chogger.com](http://chogger.com) (or similar) children can choose to create a short animation or cartoon strip about one of the following occupations.

- Orchardist
- Fruit picker
- Wholesale market stall holder
- Supermarket buyer

Information to include:

- Who do I work for?
- What tasks might a typical day include?
- How much do I earn?
- Did you know – unusual or little-known facts or myths

Or

Divide students into groups and create a short animated film about the different stages in the growing cycle of an apple, commencing with the apple seed, from harvest to market and from supermarket to children's lunchboxes.

Topics to cover:

Group 1

- Planting
- Growing
- Picking

Group 2

- Storage
- Packing
- Market/Supermarket

Group 3

- Home
- Lunchbox
- Stickers on the Awesome Aussie Apples poster
